

STATE OF ALABAMA DEPARTMENT OF
PUBLIC HEALTH

CERVICAL CANCER SCREENING (30 SECONDS)

This is Acting State Health Officer, Doctor Scott Harris. January is Cervical Health Awareness Month... and it's a great time to talk to your doctor if you haven't been screened for cervical cancer.

Women age 40 to 64 may qualify for free cervical cancer screenings if they have limited income and have no insurance or are underinsured. Also, the program now covers screening for women age 30 to 64 who have had their tubes tied.

For more information, visit our website at Alabama public health dot G-O-V.
